

CALM CBD OIL SPEARMINT

FULL SPECTRUM

- Third-party tested in a certified lab
- QR code on every bottle links to detailed lab report
- No pesticides or heavy metals
- Non-GMO hemp oil
- Domestically-grown hemp
- <0.3% THC, no psychoactive properties
- TSA approved and safe to bring on domestic flights

FACT

Full-Spectrum products leave more of the hemp plant intact and therefore, contain many more compounds that are believed to work together to be beneficial to the body.

SUGGESTED USE: Shake gently before each use. Start with one dropper under your tongue 1-2 times per day. Hold oil under tongue for about a minute and then swallow. Take daily as part of your wellness routine. You can take Mandara CBD oil any time of day, with or without food.

CALM CBD OIL HONEY

ZERO THC

- Third-party tested in a certified lab
- QR code on every bottle links to detailed lab report
- No pesticides or heavy metals
- Non-GMO hemp oil
- Domestically-grown hemp
- TSA approved and safe to bring on domestic flights

FACT

Products with Zero THC are made from CBD Isolate and differ from that of Full Spectrum products. This product still contains **all** the benefits of CBD.

SUGGESTED USE: Shake gently before each use. Start with one dropper under your tongue 1-2 times per day. Hold oil under tongue for about a minute and then swallow. Take daily as part of your wellness routine. You can take Mandara CBD oil any time of day, with or without food. Store away from sunlight and heat.

PLEASE NOTE: This product color may change from clear to pink if exposed to sunlight. This change is natural and does not impact the product quality.
